

SIBUSISO MHLONGO

STUDENT

OBJECTIVE

I am an aspiring software developer seeking to leverage strong programming skills and academic knowledge in C#, Java, HTML, CSS, JavaScript, and SQL to contribute effectively in an entry-level IT or software development role. I am eager to apply problem-solving abilities, collaborate with teams, and continue learning in a dynamic technology environment to build a successful career in software development.

ABOUT ME

I am a motivated and passionate second-year Information Technology student specializing in Software Development at IIE Rosebank College. I have strong skills in programming languages including C#, Java, HTML, CSS, JavaScript, and SQL. Known for my problem-solving abilities, effective communication, and teamwork, I am committed to continuous learning and adapting in the fast-evolving tech world. I enjoy applying my knowledge through projects and am eager to gain practical experience to contribute meaningfully in the software development field.
